

# Instructions

**Pick a Page:**

Choose your favorite Curious George picture to color. You can start with any page you like!

**Gather Your Coloring Tools:**

Use crayons, colored pencils, or markers to fill in the pictures. Make sure to use colors that make Curious George look bright and fun!

**Color with Care:**

Try to stay inside the lines, but don't worry if you go outside. Just have fun and be creative!

**Add Your Own Touch:**

You can mix colors, add backgrounds, or create your own designs to make each page special.

**Take Your Time:**

There's no rush! Enjoy each page and make it as colorful as you want.

**Show Off Your Art:**

Once you finish a page, share it with family or friends. You can even hang it up to display your masterpiece!
